Waiting in the audience for the opening
of a Broadway blockbuster, feeling the
buzz of anticipation.

Standing in the lobby, waiting to cheer
for a child who just stepped onstage
for the first time. Leaping to your feet
to offer a standing ovation to a brilliant
musician.

Inspired by performances and innovative
education programs, each person
leaves Wharton Center with a story to
tell. Sharing these stories is essential to
living a richer and more purposeful life.

Your support makes this possible.
